Dear Sir/Madam,

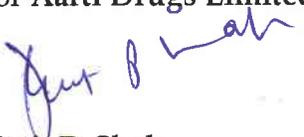

**Ref: Disclosure of events or information under Regulation 30 and Part A of
Schedule III of SEBI (Listing Obligations and Disclosure Requirements)
Regulations, 2015**

Based on the preliminary inspections the damage to the affected Unit is mainly in Air Handling Unit systems, False Ceiling, Plastering, Windows and Door Panels etc. We estimate the repair work for above-mentioned damages will take around 45 to 60 days, to restart the operations, thus limiting the loss of revenue to approximately 2% to 3% on annualized terms. Fixed Assets including inventory of the affected plant are adequately insured on reinstatement basis. The Company is also adequately insured for any loss of profit arising out of production shortages due to this incident.

This is for your information and records.

Thanking You,

Yours faithfully,
For Aarti Drugs Limited

Harit P. Shah
Whole-time Director
